A photograph of a person walking away from the viewer down a path in a forest. The path is covered in a thick layer of yellow autumn leaves. The trees on either side have vibrant yellow foliage, and the scene is bathed in a warm, golden light, suggesting a misty or foggy day. The person is wearing a dark coat and a hat, and is holding a walking stick.

The image features three ceramic vases by Malcolm Gamble. On the left, a white, bulbous vase with a long, thin neck sits on a black rectangular pedestal. On the right, two dark, teardrop-shaped vases with long, thin necks sit on a white rectangular pedestal. The background is a dark, textured wall. The lighting is dramatic, casting shadows and highlighting the textures of the vases.
